Two-Step Verification: For enhanced security and automated verification, a 6-digit code is sent to your email. This must be entered within one minute to confirm your account.

System Integration: This verification process serves as a core feature that streamlines authentication by verifying institutional affiliation without requiring manual Blackboard integration.

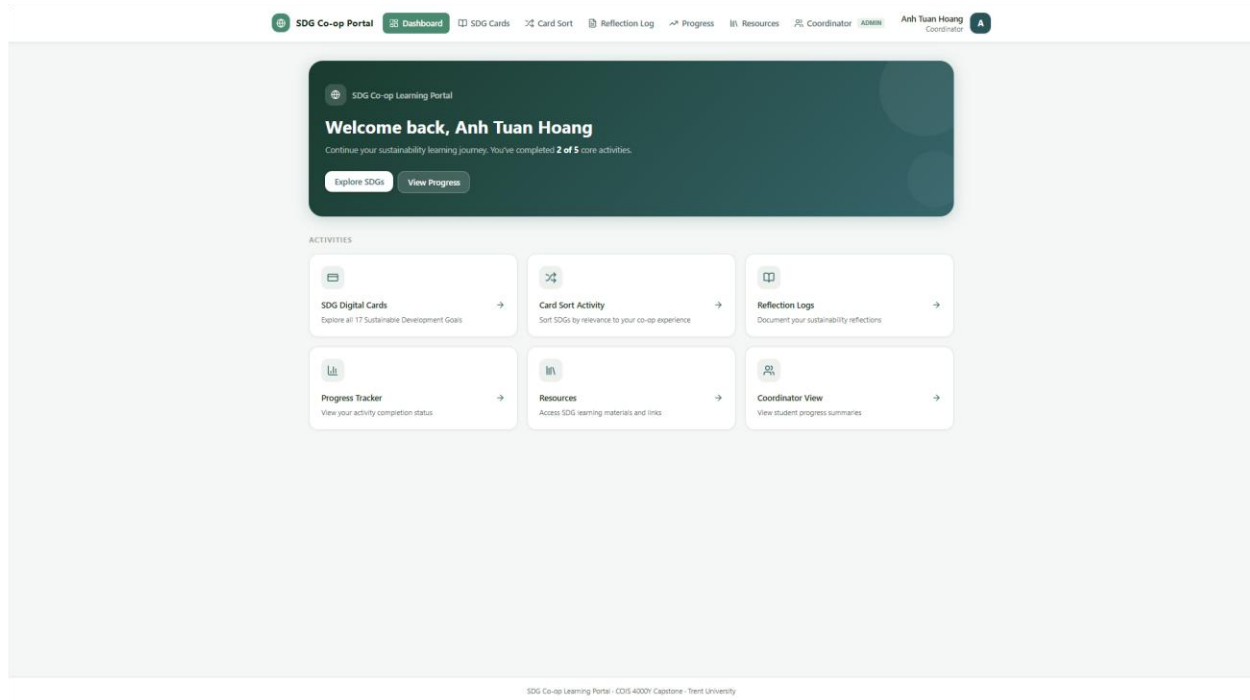

Secure Login: Once your account is verified, you can securely log in to access the platform.

The User Experience

Central Dashboard: Upon a successful login, you are greeted by the Dashboard- the central hub that provides quick access to every feature within the application.

SDG Digital Cards: This interactive page features all 17 SDG cards. Users can click on any card to flip it and read a detailed description of the goal.

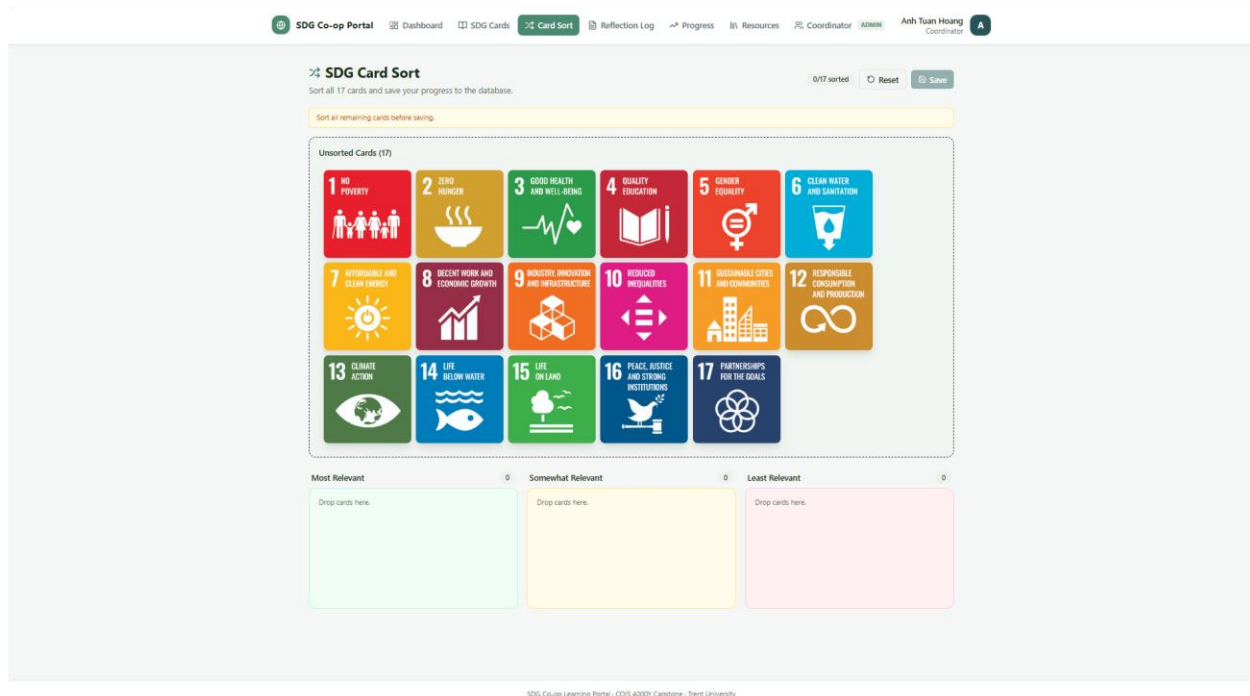

Card front side

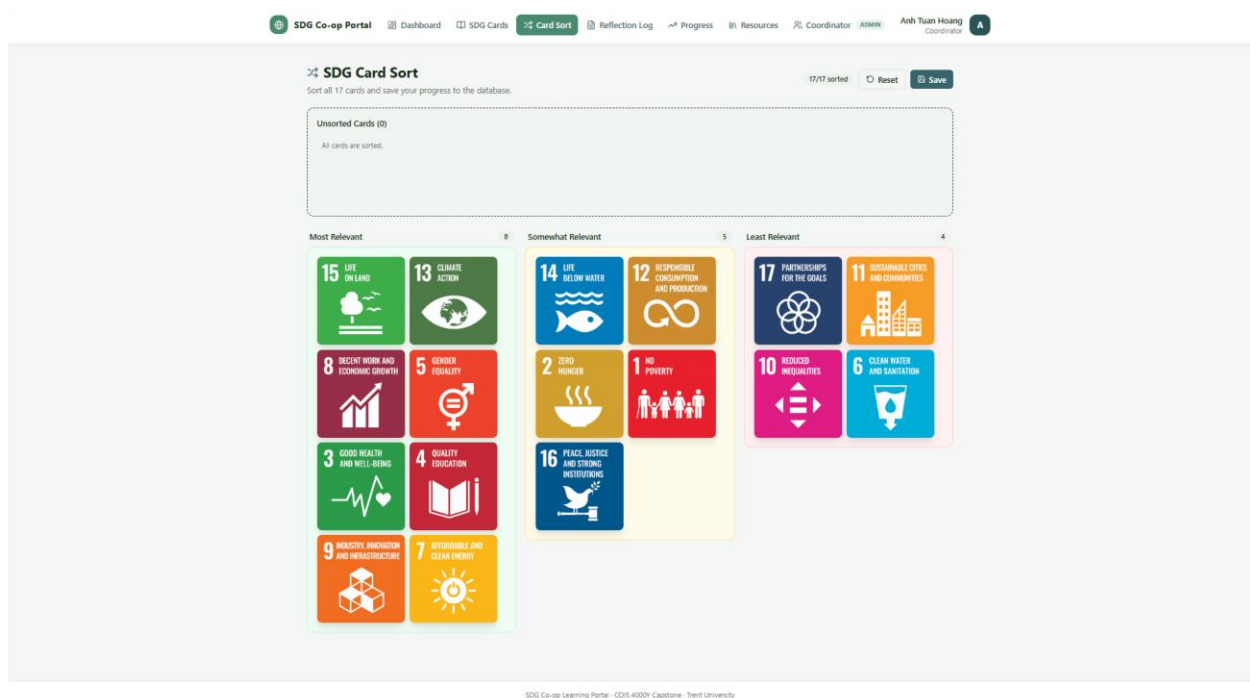

Card back side

Card Sorting Activity: This engagement tool allows users to categorize SDGs by dragging and dropping them into relevant sections. Progress is saved once all 17 cards have been sorted, with a reset option available to restart the activity.

Before sorting

After sorting

Reflection Log: The Reflection Log features a "quick jump" menu for all 17 goals. Here, students can record their personal reflections and notes, utilizing provided readings to prepare for subsequent quizzes.

The screenshot shows the 'Reflection Log' page within the 'SDG Co-op Portal'. The top navigation bar includes links for 'Dashboard', 'SDG Cards', 'Card Sort', 'Reflection Log' (which is highlighted), 'Progress', 'Resources', 'Coordinator', and 'ADMIN'. The user's name, 'Anh Tuan Hoang', is displayed in the top right corner. The main heading is 'Reflection Log', with a sub-instruction: 'Pick an SDG from Quick Jump, then write your reflection for that topic below.' A 'Save All Reflections' button is located in the top right of the main content area. Below this, a message states: 'Only one SDG reflection editor is shown at a time to keep this page clean.' The 'QUICK JUMP' section displays 17 SDG goal buttons arranged in three rows: 'No Poverty', 'Zero Hunger', 'Good Health', 'Quality Education', 'Gender Equality', 'Clean Water & Sanitation', 'Affordable & Clean Energy', 'Decent Work and Economic Growth', 'Industry, Innovation & Infrastructure', 'Reduced Inequalities', 'Sustainable Cities & Communities', 'Responsible Consumption & Production', 'Climate Action', 'Life Below Water', 'Life on Land', 'Peace, Justice & Strong Institutions', and 'Partnerships for the Goals'. At the bottom of this section, a text box prompts the user: 'Select any SDG section from quick jump to view its reflection.'

Readings (Click will redirect you to external links)

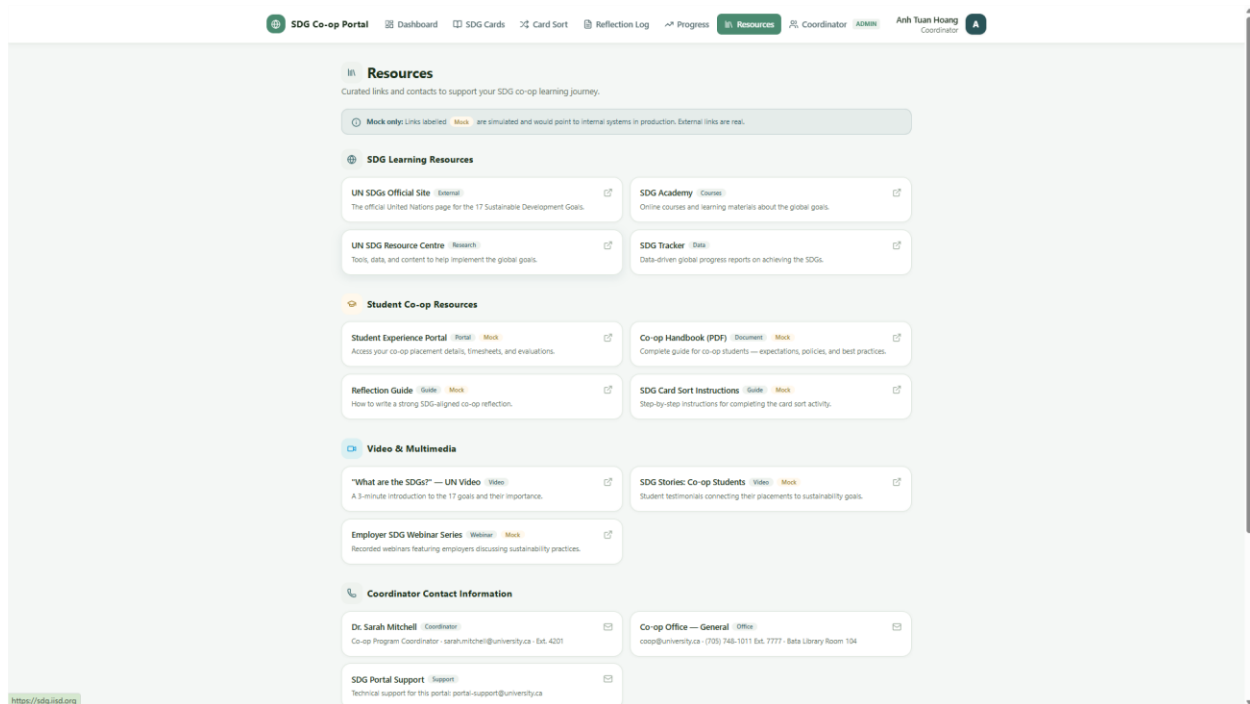

Doing quiz

Progress Tracking: The Progress page provides a real-time overview of completed tasks, upcoming requirements, and total points earned. To encourage consistent engagement, tasks reset daily at midnight.

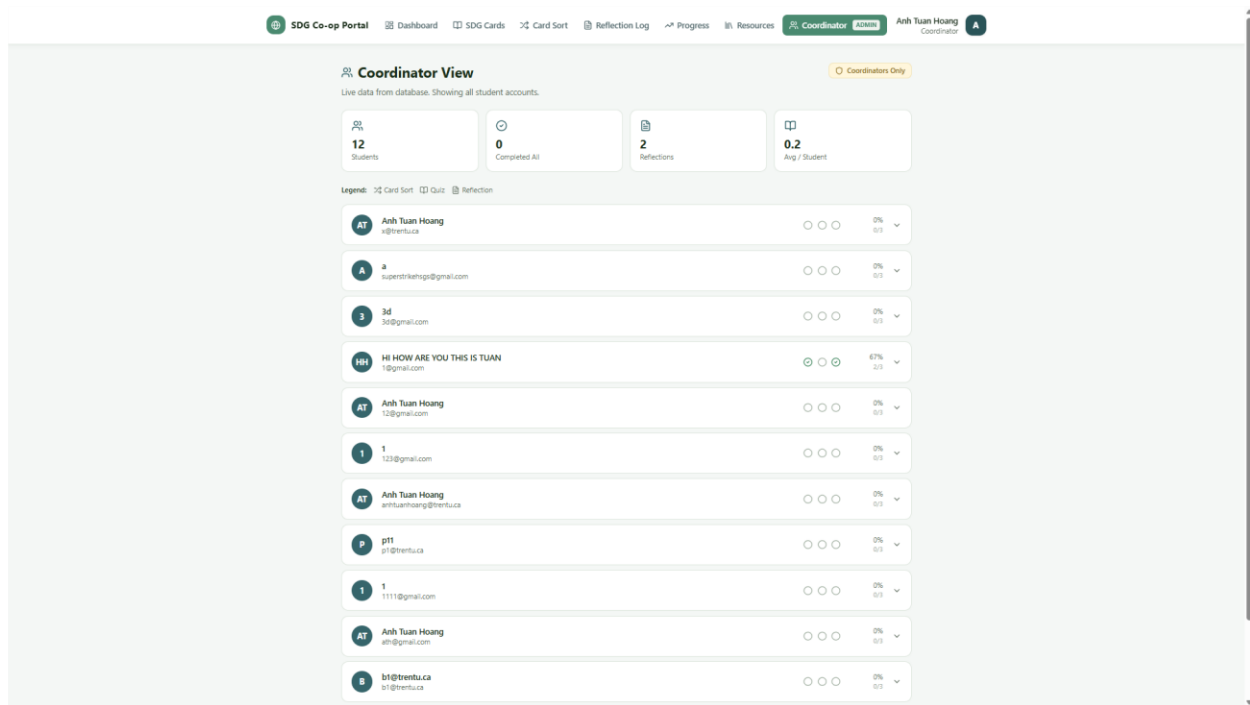

Curated Resources: Students can access a dedicated Resources page containing essential links, academic materials, and contact information for coordinators and developers.

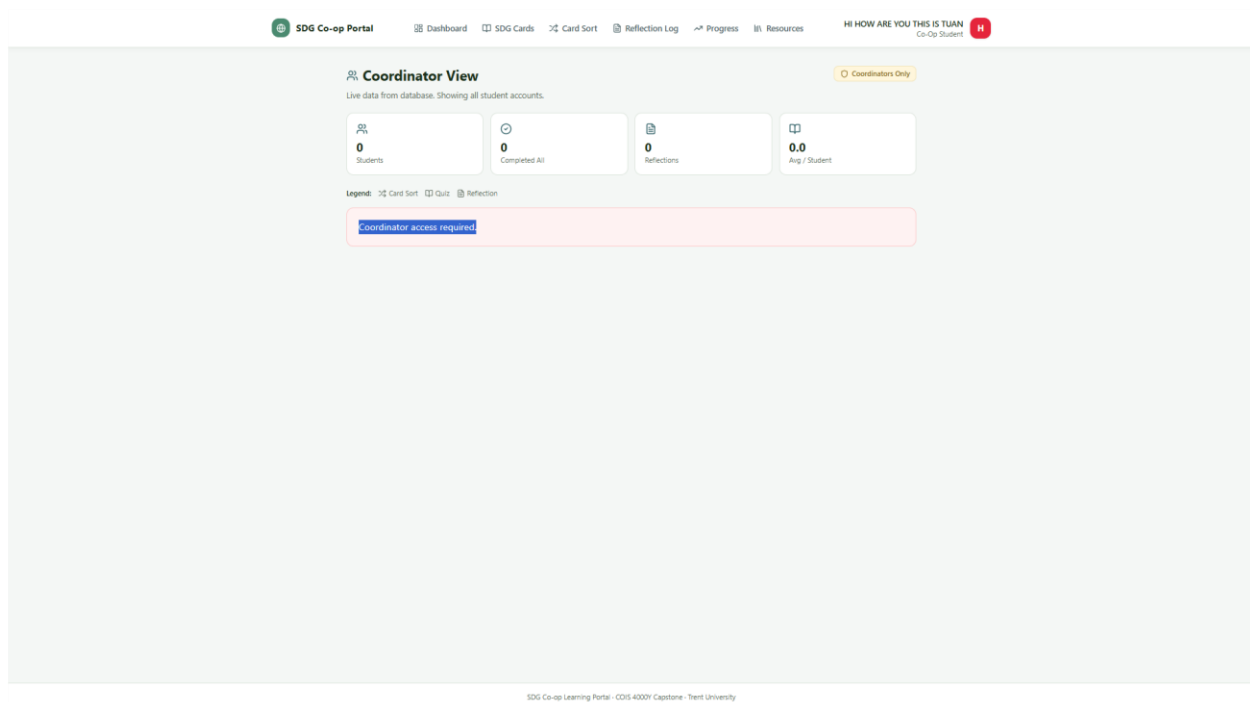

Administration & Profile Management

Coordinator View: The Coordinator page provides a specialized dashboard for staff to monitor student progress and engagement metrics. This view is restricted to authorized coordinator accounts. (I'm using both coordinator account and student account to show the difference)

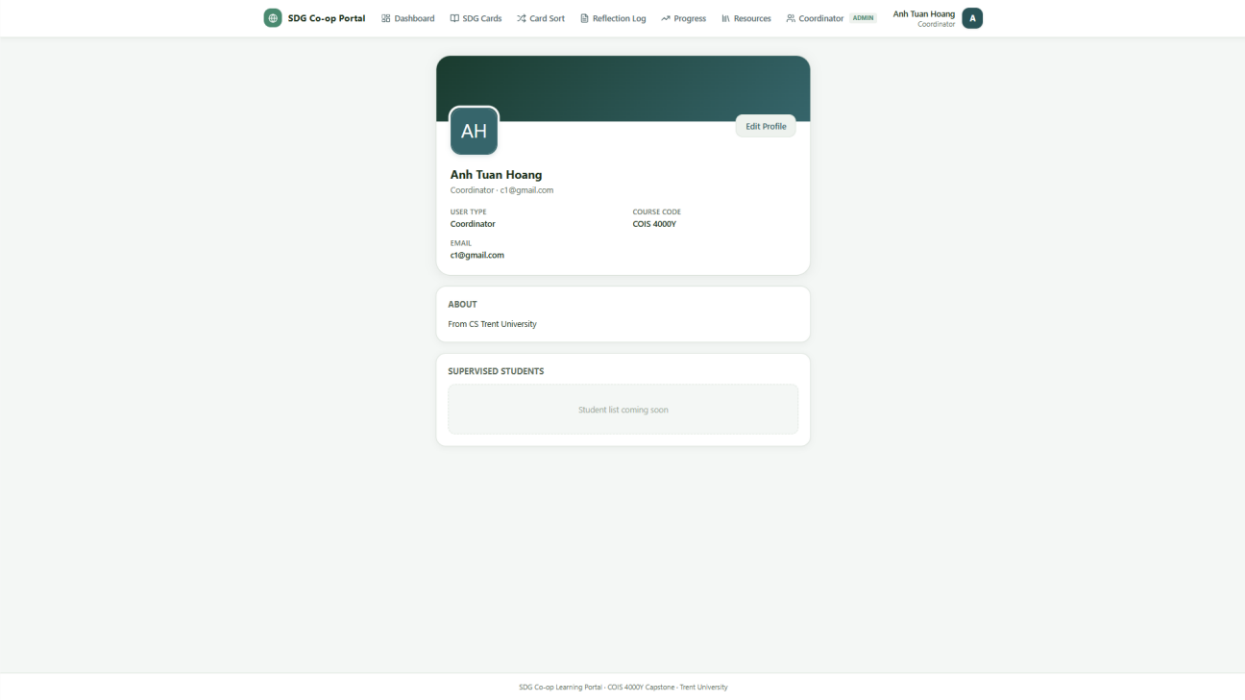

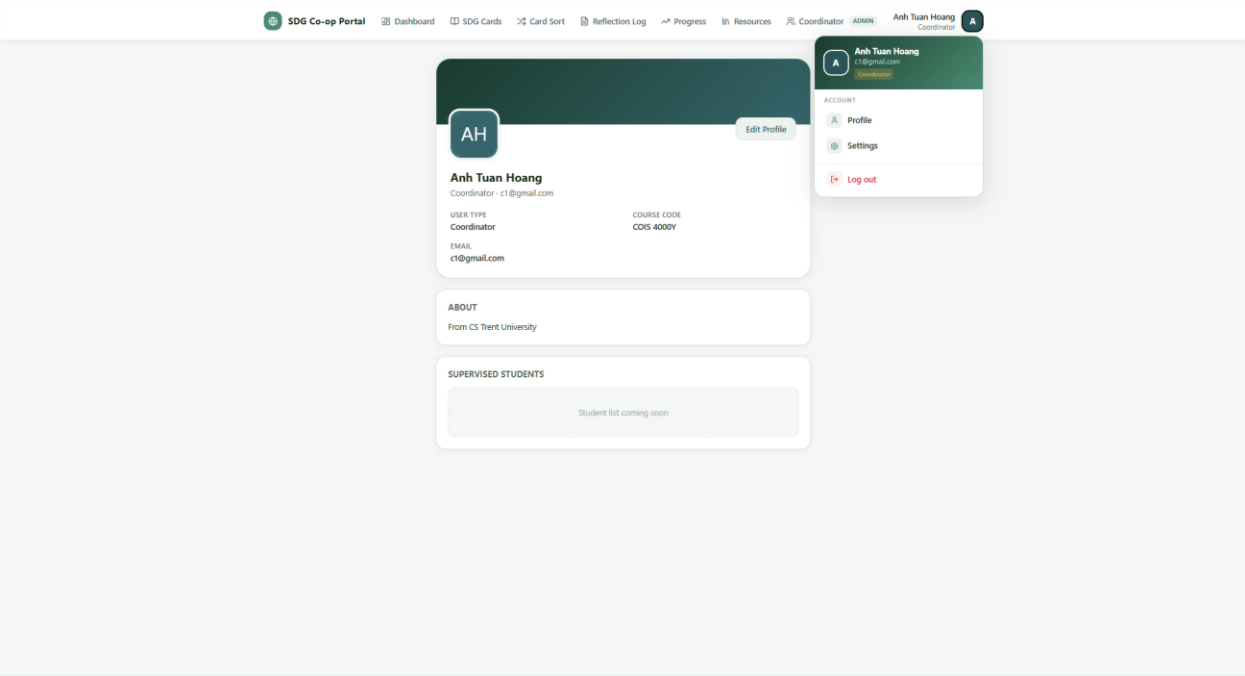

Coordinator account

Student account

User Profile: Located in the top-left corner, the Profile page allows users to customize their avatar and update personal information, such as their course code and biography.
